General Information

Specifications

Using the finest acrylic, all of our awards are fabricated from 3/4" thick acrylic unless otherwise noted in master catalog. Custom sizes and thicknesses are available for any award. All sizes are approximate and thickness of acrylic will vary due to the manufacturing process.

Artwork

(Applies to Laser Engraving, Screen-Printing, Digital Printing, and AcryliPrint® HD)

Artwork can be accepted via e-mail. The e-mailed artwork file size should not exceed 10 Megabytes. In order to ensure accuracy, artwork proofs must be faxed for e-mailed files. Artwork is archived for two years from the date of last use.

Laser Engraving

Clean, black and white artwork (600 DPI) is essential for proper laser engraving. We reserve the right to determine what constitutes laser make-ready art. Photocopied or faxed artwork is not considered laser make-ready. Artwork must be submitted as black and white art in CorelDRAW version X6 or earlier, Adobe Illustrator CS5 or earlier, or as an encapsulated postscript (.eps). All fonts must be converted to curves or outlines.

All Grayscale and Color Artwork will incur a minimum Art Charge of \$50.00/v per 1/2 hour without prior approval. We will advise if charges will exceed this minimum.

Screen Printing

Setup Charge: \$50/v per color, PMS Color Match: \$15/v per color, Run Charge per item: \$1.00/v for each additional color. Personalizations and Copy changes can only be added by laser engraving in white. See Personalization & Copy Change Charges for details.

All colors must have a PMS color selected. Colors will be matched as closely as possible, but due to variations of materials and inks, we cannot guarantee exact PMS color matches. We recommend ordering a sample prior to placing your order.

Screen Printing artwork must be submitted as spot color vector art in CorelDRAW version X6 or earlier, Adobe Illustrator CS5 or earlier, or as an encapsulated postscript (.eps). All fonts must be converted to curves or outlines.

All CMYK and RGB Color Artwork will incur a minimum Art Charge of \$50.00/v per 1/2 hour without prior approval unless CMYK screen printing is desired (please specify in writing when submitting artwork). We will advise if charges will exceed this minimum.

Digital Printing and AcryliPrint® HD

Setup Charge: \$49/v for unlimited colors! For Personalization & Copy Changes, see Personalization & Copy Change Charges for details.

To ensure print quality, art image files must be at least 300 dpi unlayered TIFF, high resolution Adobe Acrobat PDF (preferred), CorelDRAW version X6 or earlier, Adobe Illustrator CS5 or earlier, or an encapsulated postscript (.eps). Graphics files may be in RGB or CMYK format.

We are not responsible for low-resolution or web resolution images submitted at less than 300 dpi. AcryliPrint® HD Price Includes: Unlimited colors with full bleed; however, exact color match is not guaranteed. Due to variations in print materials and inks, we strongly recommend ordering a sample prior to placing your order as we cannot be responsible for mismatched colors. For exact color with digital printing, please send a color print sample with a lighting description - e.g: outdoors, fluorescent, daylight, tungsten, etc. Colors will be matched as closely as possible, but due to variations of materials and inks, we cannot guarantee exact PMS color matches.

Samples

Pre-production samples of actual items can be created upon written request and will be charged at individual per piece price plus all Production-Ready charges (may include art, setup, screen and/or printing charges). Pre-production samples may not be returned for credit.

Random catalog samples invoiced at end quantity pricing. Random samples returned within 30 days, in original condition, will be credited. Please supply UPS or FEDEX number to avoid freight bill charges.

Custom Products

We welcome the opportunity to quote on any of your acrylic product needs. Unique shapes and awards can be created with laser engraving, screen printing,

and/or digital printing and AcryliPrint® HD to accommodate any awards program. Custom products are subject to a 10% overrun and will be billed at per-unit pricing.
